

Colkirk CE Primary Academy: September Opening Risk Assessment Plan

Updates and Changes to the Risk Assessment

Date	Section	Update / Changes
24.05.2021	Seventh Addendum	Based on the NCC updated RA published in May 2021.
23.04.2021	Keeping Cohorts Together Other General Measures	<ul style="list-style-type: none"> From 26 April 2021 socially distanced collective worship will resume OUTSIDE but NOT in the hall as space is too limited for pupil to socially distance properly as a whole school. Each child will sit in their class bubble socially distanced from any other class bubble. Each bubble will be allocated a space on the playground facing the worship leader. This form of worship will happen for up to 2 times per week only – celebration assembly and Head of School led worship. Pre-recorded worship from Exec HT will continue and class worship on the other days. NO singing will take place. From 26 April Collective Worship as a whole school to resume OUTSIDE but not in the hall but as per guidance above. No parents to be invited in and staff to remain in their socially distanced class bubble section of the playground.
16.04.2021	Sixth Addendum	<ul style="list-style-type: none"> Focus in educational visits and clubs as per NCC updated guidance on 2 April 2021

The health, safety and well-being of all staff and pupils is of utmost importance to us. This risk assessment template has been provided to support educational settings to ensure they are acting in line with the COVID-19 – Compliance code for all educational settings – Autumn Term

Please note: all COVID-19 guidance is available through HR InfoSpace and Norfolk Schools

The risk assessment should be reviewed prior to any stage of extension of operation e.g. increasing pupil numbers, extending curriculum activities, opening up facilities or planning events.

For ease of reference, changes that are made to this document are detailed below:

Item	Control measures	Yes/no/not applicable	Notes and further information	Date required and completed
Senior Management Team responsibilities	<p>The Senior management team have reviewed the operation of the setting in the light of welcoming all children and young people back during the pandemic and have made alterations so that:</p> <ul style="list-style-type: none"> The number of contacts that pupils and staff have during the school day are minimised The distance between people in the setting is maximised as much as possible, Implementation of robust universal hygiene measures is supported through the provision of hygiene stations, reducing contact points and touch surfaces and supporting effective hand drying Enhanced cleaning arrangements can be implemented The whole setting community are engaged with and support the national effort to reduce the spread of the virus 	Yes	<ul style="list-style-type: none"> Bubble Plans discussed and agreed as to format. No new staff returning who have been shielding. Shielding staff consulted on risk assessment to ensure any additions are added. None suggested. Hand drying not an option in class rooms (toilets only) classroom hand washing stations will continue to use paper towels. Parent Guide distributed for September. Staff compliance code shared at training day on 3rd September 2020. 	13.07.2020
	SMT have followed arrangements to bring areas of the premises into safe use before opening e.g. asbestos, fire site security and legionella reviews.	Y	Asbestos- NA Legionella check completed each month (1 st of month or as close as by Caretaker checked by FBM) Fire check completed – as per guidance with weekly point checks, half termly drills and annual servicing (Aut 2019)	18/05/2020 Last reviewed 10/07/2020
	SMT have ensured that specific cleaning arrangements that are required can be fulfilled on site	Y	Liaison with caretakers by FBM to clean all class areas and general corridor areas, door,	18/05/2020

			handles, window latches etc. Staff trained to ensure surfaces are cleared of work packs and children's books/work to allow surfaces to be cleaned during school day. Cleaning station in each bubble, toilets have disposable toilet cleaning wipes to sanitise after each use.	25/05/2020 22/07/2020
	SMTs refer to the HSW information provided on Infospace or Norfolk Schools, ensure that they understand and communicate this information.	Y	All staff to have clear printed guidance in bubble spaces – full training to be provided on 4 th June 2020 – EHT prepared powerpoint and training session.	1/06/2020 Updated CPD on 03/09/2020
	SMT has completed this assessment, in conjunction with staff and staff representatives (and pupils where appropriate) and are responsible for the implementation of actions	Y	Use of this document and sections transferred into clear printed checklist for class and general areas in school. FBM, HoS and class teachers and support staff have all had input – through site visits to each academy by EHT and FBM during week of 18/05/2020 and then again 13/07/2020 with new RA form.	01/06/2020 13/07/2020
	Arrangements have been put in place to undertake a regular review of the assessment and provisions taking into account feedback, suggestions and concerns and updates to NCC guidance.	Y	All staff briefed to have daily feedback at the end of day. Risk assessment and practices adjusted as soon as required. Full weekly review by all staff involved lead by HoS on Thursdays. Any NCC updates added to RA as addendums and staff sign to say they have read and understood changes.	01/06/2020 13/07/2020
	SMT have made arrangements to provide information, instruction and training prior to implementing these measures (and prior to the recovery phase) following the outlined arrangement for meetings and training.	Y	All staff to be rebriefed on 03/09/2020 with the latest RA and guidance. Copies of compliance code shared and PowerPoint provided. Staff sign to say they have received training, read documents and understood them.	03/09/2020
	Senior colleagues will be present at the site and especially during	Y	Each academy will have the HoS	03/09/2020

	the early part of return in September in order to provide additional support and reassurance and to pick up on any issues and review arrangements.		present from start of term. EHT & HoF will rotate around the federation. FBM will also be on hand to support each academy and visit each during the first week back.	
	Specific consideration has been given to the management of the first day back and consideration given to staggering returns to eliminate groups gathering together	Y	Refer to Bubble Plans at start of this document. Extended bubble for entry and exit then split to class bubbles. Note both bubbles enter / exit at same time (different places) as they share the most siblings and this reduces congestion outside of school with parents waiting for different bubbles.	03/09/2020
Ensuring compliance	The setting will follow their normal arrangements to encourage safe behaviours and actions if setting standards are not followed.	Y	Parents will have clear guidance provided prior to starting. Behaviour policy has been amended to include new practices and expectations where appropriate. EHT / HOS will liaise with classes and parents on a daily basis. Letter to parents 13/07/2020 explains expectations clearly – logistical letter for each bubble arrangement shared before start of term.	13/07/2020
	COVID-19 Case Management Guidance is implemented.	Y	Flow chart is displayed in staff areas.	
	COVID Secure Commitments is signed and displayed	Y	See appendix 1 at end of this document for the Unity Model Covid Secure Commitments Code. This is signed by the EHT / HoF and CoG and displayed by 03/09/2020 in all public spaces in each academy.	03/09/2020
Governor	Governors are involved and supporting the setting to ensure that	Y	LGB meeting completed 21/05/2020 to	21/05/2020

engagement	required actions are completed and have reviewed this assessment as part of their role.		discuss re-opening plans and 02/07/2020 for full reopening in September 2020. Weekly telephone call to CofGs and fortnightly written review to LGB by EHT.	03/07/2020 15/07/2020
Safeguarding	The introduction of new arrangements have been reviewed by the Senior Management Team ensure that they do not impact on safeguarding requirements in the setting (see additional checklist on Norfolk Schools).	Y	DSL's will continue to be on site daily and PSA will continue to work remotely with families and children and via doorstep if required / be in schools for 16 hours per week. Continued liaison with social workers and Early Help. CURA will continue to be used to alert DSL's to safeguarding concerns from children within school setting.	18/05/2020
Supply chain	Business management teams will ensure that arrangements are in place for the continuity of essential supplies, for example, cleaning and disinfection products, liquid soap, paper towels (where used), hand sanitiser, tissues and PPE that is specified in PPE guidance.	Y	Orders of supplies undertaken 14/05/2020 and regularly thereafter. Use central supplies from LA or DNEAT if required. Working in collaboration with Hope federation to source all PPE at best price. Full suite of PPE resources received – 26/05/2020 and regularly maintained thereafter.	01/06/2020 03/09/2020
	Arrangements have been made to ensure that equipment purchased is fit for purpose e.g. meets with required standards.	Y	Check at order point with suppliers. Upon delivery check information supplied with equipment. Open and check equipment is BSI standard and marked as such. This continues to be checked when stocks or replenished regularly.	14/05/2020
Premises adaptations	Small adaptations identified through risk assessment such as installation of doorguards to keep fire doors open in order to improve ventilation, efficient hand driers to ensure thorough hand drying have been authorised and actioned.	Y	No changes or installations required, good ventilation is maintained without changes. Hand driers in classrooms not practical paper towels will continue. Efficient hand	13/07/2020

			driers are in all toilets.

Staffing arrangements

Staffing levels	<p>Temporary staff, external specialist support staff and specialist coaches are permitted on the following basis:</p> <ul style="list-style-type: none"> • Short duration, ad hoc work is avoided where possible • They are assigned to consistent groups in the same way as permanent staff are to limit the number of children they interact with (coaching timetables have been rearranged to longer rotas than normal where necessary) • All infection control requirements are followed. 	Y	Sports coach works Mon / Fri each week. Have attended briefing with staff and the same coach is timetabled to work with each class bubble. All infection control requirements are followed and staff PE coach will aspire to maintain PE outdoor as much as possible otherwise it will not happen.	03/09/2020
	<p>Temporary staff who work at more than one setting is avoided where it is possible.</p>	Y	No temporary staff used in any UNITY site. All supply cover is managed internally by each academy having HLTA / Cover Supervisors.	03/09/2020
	<p>Where multisite working is necessary 48 hours between site visits are applied where it is possible in order to reduce the number of close contacts between different settings.</p>	Y	<p>EHT will visit two academy sites on the days he is at Unity – this will be at least 48 hours apart.</p> <p>HoF will rotate visits but limit contact with bubble and remain in leadership office in each academy as far as practically possible.</p> <p>Music instructor will follow 3m distancing rule as she works in each Unity / Hope academy over the school week. Instructor aware of guidance around music lessons.</p>	03/09/2020

	Longer assignments with supply teachers are agreed where possible in order to limit the number of temporary staff entering the school premises.	NA	NA at the moment but will be used if required in the future.	13/07/2020
	Teaching staff breaks are organised in a way that avoids staff covering from a different group	Y	See bubble plan at the start of this documents staff are restricted to own class bubbles wherever possible.	03/09/2020
	Consistent working arrangements are applied to ITT trainees.	NA	NA	NA
	Where teachers and other staff need to operate across different classes and year groups in order to facilitate the delivery of the school timetable, they are assigned consistently in line with wider principles of bubbles.	Y	No shared staff across bubbles as far as practically possible. Staff meeting will be held remotely as far as possible.	03/09/2020
	Wherever bubbles are compromised as a result of timetable, curriculum or other delivery needs the setting ensures scrupulous compliance with all of the required infection control measures because the increases in staff changes increases the opportunity for the virus to transmit	Y	Only Sea Horses will have the teacher job share split otherwise no compromises are being applied (HOS 0.6 FTE and SF 0.4 FTE) This room will be deep cleaned in line with other cleaning routines but teaching staff will be monitored weekly to ensure well-being is maintained.	03/09/2020
	Where volunteers are used the same staff principles are applied.	NA	No volunteers will be coming into school during the Autumn Term 2020 to reduce infection risk.	03/09/2020
Premises and cleaning staff	Normal premises management arrangements have resumed.	Y	See timetables and activities plans at start of this document – all logistical planning has been completed to ensure each bubbles integrity is maintained and not compromised.	03/09/2020
	Activities are scheduled to avoid times where pupils and staff are using the same areas unless staff are part of the same bubble/group.			
	Staff who carry out cleaning and disinfection have the appropriate equipment required for the task.	Y	Caretaking staff have continual updates and briefings from FBM. Checklists are completed daily.	20/03/2020 03/09/2020

			FBM will spot check academy to ensure standards are being met. Cook will also support deep clean on a Friday as she is working reduced hours. Again full cleaning training has been provided by FBM on 18.05.2020 & 03.09.2020

Minimise contact maintain social distance and activity risk reduction

Pupil and staff grouping – main groups and extended groups

Developing groups	Main groups have been developed that are the smallest practicable whilst enabling all pupils to return and a full curriculum to be taught.	Y	As per Bubble plan at the start of this document – there will be whole school extended bubble with class bubbles within this which enable the school to function fully and reduces staff moving around.	03/09/2020
	Groups are kept as static as possible including staff assigned to the groups	Y	Each bubble will be based in their own classroom and this is where they will also eat lunch. The hall will be used for lunches. Toilets are allocated as they have been during reopening in June 2020 – each bubble to use one set of toilets only (sign posted).	03/09/2020
	Only where necessary extended groups have been created to accommodate specific activities.	NA	The school will act as an extended bubble for the start / end of the day and for break times (but in allocated zones) to allow most efficient use of staff. Also to enable easier entry and exit to school as high number of siblings in KS1 / KS2.	03/09/2020
	Extended groups remain as small and consistent e.g. for wraparound care, specialist teaching and transport needs.	Y	Wrap around care will use extended	03/09/2020

			bubble bit with distancing between class bubbles within it.	
	Extended or separate groups applied to specific activities e.g. transport or wraparound care are arranged in line with main setting groups as much as possible	Y	Wrap around care only as above.	03/09/2020
	Contact within and between groups is minimised through distancing measures which are outlined in this assessment.	Y	See Bubble Plan at the start of this document – all entry / exit/ breaks and lunchtimes are separate to maintain extended bubble distancing and reduce any contact between bubbles. All deployment of staff is such that only the PE coach and Music instructor will move between bubbles.	03/09/2020
	Consideration has been given to reducing the number of children to staff ratio further where necessary to assist with social distancing measures. Circumstances considered include: <ul style="list-style-type: none"> • some secondary curriculum practical activities • music • With very young children • Because of health conditions or understanding of the children In order to enable distancing through designing spaces that achieve more separation.	Y	Class bubbles are the minimum we can work at – in Sea Shells the bubble is reduced across two spaces (one for EYFS and one for Yr1/2 children) with the same 3-4 adults to allow for greater space and reduction of risk by social distancing. Music will be undertaken outside if dry enough to allow for greater distancing – if in class spaces then the instructor will follow the 3m rule.	03/09/2020
Keeping cohorts together	Pupils will stay in their class/group wherever it is possible throughout the day, or on subsequent days.	Y	As per Bubble plan at the start of this document.	03/09/2020
	Arrangements have been put in place to avoid mixing with other groups (which creates larger groups) throughout the day e.g. during lunchtimes, breaks, PE, or on subsequent days	Y	As per Bubble plan at the start of this document.	03/09/2020

	Staff are paired consistently for two person activities e.g. supervision, teaching, personal care.	Y	Each Bubble has 3-4 adults working in it – 1 or 2 x Teachers and 2 x support staff	03/09/2020
	The same teachers and other staff are assigned to each class group, and where possible for the same day and subsequent days.	Y	As per Bubble plan at the start of this document.	03/09/2020
	Group mixing at the settings provided breakfast and afterschool clubs are avoided (and only essential clubs are operating).	Y	Breakfast club / after school club will operate as extended bubble but with social distancing of the two classes.	03/09/2020
	Larger spaces are not used by more than one group without partitioning in order to create physical separation.	Y	Hall not in use for multiple Bubbles only for lunches (2 sittings)	03/09/2020
Contact records	Contact records of groups are maintained in line with Case Management Guidance.	Y	Log kept in school office to maintain any contact between bubbles /staff and checked weekly by EHT/HoF/FBM.	03/09/2020

Other general measures

	The use of outdoor spaces has been maximised	Y	Climbing frame and playground rotas agreed as per the start of this document.	03/09/2020
	Unavoidable queues are managed	Y	Queues will be managed by staggering toilets etc. classrooms used for lunches etc. to ensure no queues as children will use their own table spaces.	
	An assessment has been made of close contact (within 2 m) interactions and these have been reduced as much as is possible.	Y	One way system for KS2 using main corridor to access toilets, hall and playground. Markings on the carpet in classroom shows lines to adhere to to maximise distance where appropriate.	01/06/2020 03/09/2020
	Activities that encourage or cause people to raise their voices will not take place. Pupils are advised of these requirements while on the premises.	Y	No whole school collective worship or singing assemblies as a school. Worship will happen in class / outside if possible.	03/09/2020

			Staff aware of keeping voices lower to prevent aerosol contamination.	
	Pupils and teachers only take necessary books and other resources home. The requirements for hand hygiene, cleaning and rotation are applied.	Y	Bubble resources only NO shared resources between bubbles reduces contamination risks. Reading books follow same system set up in June with books per bubble and 72 hour break between reuse. Homework will remain on remote learning platform to reduce movement of resources between home and school.	03/09/2020
	Where resources need to be shared this is restricted to within the consistent groups or thoroughly cleaned between groups.	Y	Cleaning requirements and materials made available in classroom areas.	20/03/2020
	If this is not possible, the resources will be quarantined for 72 hours between groups.	y	NO resources will be shared between groups. Separate PE resources, playtime resources etc.	03/09/2020
	Large gatherings such as assemblies with more than one group is avoided.	Y	As per the collective worship plan at the start of this document.	03/09/2020
	Movement around the school is kept to a minimum: <ul style="list-style-type: none"> • Movement of whole classes is avoided where pupils can stay in the same room and staff can move to different classes instead. Rooms used have been selected to enable this • Class times have been staggered to prevent large numbers moving around the premises at the same time where pupil movement around the premises cannot be eliminated e.g. for D&T, sport. • Times for using stairs and corridors have been planned to ensure that use of common areas does not encourage gathering • Where large numbers of pupils still need to move around the 	Y	Bubble are allocated spaces as identified in this risk assessment – there will be no need to move about the school as a group other than for staggered break times.	18/05/2020 03/09/2020

Lockers	Locker allocation has taken account of the assigned groups so that groups are not compromised when they are being used.	NA	Children do not have lockers in school	
	Locker cleaning and disinfection arrangements are in place	Y	For staff lockers – sanitisation cleaning equipment are left for staff to sanitise their won lockers.	01/06/2020

Measures within the classroom

	Alternative larger spaces such as gyms and halls are considered to accommodate groups and support distancing to be maintained	Y	Sea Shells bubble is reduced across two spaces (one for EYFS and one for Yr1/2 children) with the same 3-4 adults to allow for greater space and reduction of risk by social distancing. This is so a class of 25 can be split into 10 EYFS / 15 Yr1/2	03/09/2020
	Distancing is encouraged by reconfiguring furniture and chairs are forward facing	Y	Classrooms whilst will have many of the normal resources in the environment that you would expect, this will be reduced in terms of storage and general clutter to ensure clear surfaces and maximum circulation spaces are available in each room. Specialist curriculum considerations

Music	Singing, wind and brass playing does not take place in large groups such as school choirs and ensembles, or school assemblies.	Y	No collective worship as a school will be undertaken. Music instructor and EHT met 13/07/2020 to discuss music curriculum teaching within the guidance in this document.	13/07/2020
	Music lessons are restricted to using recorded music or playing of non-wind or brass instruments unless lessons are smaller groups not exceeding 15 people	Y	Music instructor and EHT met 13/07/2020 to discuss music curriculum teaching within the guidance in this document.	13/07/2020

	Where smaller groups are viable and singing or the playing of such instruments takes place, this is done outside or alternatively in a well-ventilated space; participants are positioned to maintain at least 2m distance between them (3m is preferable) with no-one directly facing another person.	Y	Music instructor and EHT met 13/07/2020 to discuss music curriculum teaching within the guidance in this document. 3m distancing will be maintained at all times.	13/07/2020
	Where the music teacher needs to face the group they will maintain 3m distance.	Y	Music instructor and EHT met 13/07/2020 to discuss music curriculum teaching within the guidance in this document. 3m distancing will be maintained at all times.	13/07/2020
Drama and performances	Performances with audiences do not take place	Y	Harvest/ Christmas/ Remembrance & Advent will happen in a virtual format as outlined at the start of this document.	03/09/2020
	Activities that involve raised voices or shouting do not take place.	Y	As per arrangements in this document.	03/09/2020
	Consideration is given to operating smaller class sizes where possible to support distancing and hygiene management	Y	This is not possible to reduce beyond the class size bubble – EYFS and Yr1/2 may have 30 minute session each rather than 1 hour session together. This may also happen for Yr3/4 and Yr5/6.	03/09/2020
	Outside drama is planned as a first consideration where possible	Y	As part of the arrangements explained at the start of this document.	03/09/2020
	In all cases the following will be applied: <ul style="list-style-type: none"> Increasing hand hygiene and surface cleaning Using back to back or side to side positioning Maintaining distancing 	Y	Guidance will be shared with staff at CPD on 3/9/2020	03/09/2020
Physical activity	Outdoor space is maximised. Where it is not possible, e.g. due to inclement weather, the largest available, well ventilated spaces will be used.	Y	Sports coaches work Mon / Fri each week. Have attended briefing with staff and the same coach is timetabled to work with each class bubble. All infection control	03/09/2020

			requirements are followed and staff PE coach will aspire to maintain PE outdoor as much as possible otherwise it will not happen.	
	Prioritisation of low impact activities is given over high impact	Y	Discussion with PE providers to adapt curriculum to ensure maximum and appropriate teaching will take place in sessions but with minimum threat of virus spread.	03/09/2020
	Contact sports will not take place	Y	Discussion with PE providers to adapt curriculum to ensure maximum and appropriate teaching will take place in sessions but with minimum threat of virus spread.	03/09/2020
	Distance between participants is maximised.	Y	Discussion with PE providers to adapt curriculum to ensure maximum and appropriate teaching will take place in sessions but with minimum threat of virus spread.	03/09/2020
	Arrangements for collecting, passing on and returning shared resources and equipment is planned to prevent close contact.	NA	Each bubble will have its own PE equipment and this will be sanitised regularly as per guidance.	03/09/2020
	The use on non-personal kit is avoided.	Y	PE days will see children coming to school in PE kit.	03/09/2020
	Any non-personal kit e.g. bibs are be carefully cleaned between uses.	NA	Bibs etc will not be used.	03/09/2020
	Pupils are kept in consistent groups	Y	As per Bubble Plan at the start of this document	03/09/2020
	Scrupulous attention is paid to cleaning and hygiene, sports equipment touch points are disinfected between group uses.	Y	As per DFE Guidance – shared with PE providers and staff on CPD day 03/09/2020	03/09/2020
	External facilities are used in line with guidance for the use of and travel to those facilities. A specific assessment is completed in advance considering all of the relevant sections of this assessment and compliance code.	NA	No external facilities are being used by the schools for PE	03/09/2020

	<p>The following advice has been referred to as part of the risk assessment process:</p> <ul style="list-style-type: none"> • guidance on the phased return of sport and recreation and guidance from Sport England for grassroot sport • advice from organisation such as the Association for Physical Education and the Youth Sport Trust 	Y	Shared with PE providers and staff on CPD day 03/09/2020	03/09/2020
	Arrangements for working with external coaches, clubs and organisations consider the wider protective measures required and specific attention has been paid to the staffing section of this assessment.	Y	As per Bubble plans at the start of this document – PE coaches included in staff CPD in September.	03/09/2020
	The use of changing rooms and showering facilities are avoided where possible.	NA		
	Where these facilities are needed, their use has been limited e.g. allowing PE kits to be worn on arrival and for the whole day, or part of the day after the lesson.	NA		
	Social distancing is maintained in these facilities, including limited the numbers in the space, the use of floor markings, planning movement around the space and cleaning arrangements.	NA		
	Changing and shower facilities must be used as quickly as possible.	NA		
Swimming pools	Guidance is currently being updated and will be provided before the start of term.	Y	All swimming will be scheduled for Spring 2021 onwards to allow for guidance to be digested and assessed.	13/07/2020
Subjects involving practical activities	Practicals and experiments have been reviewed for appropriateness in order to keep pupils distanced from each other. Particular thought has been paid to the use of fume cupboards, Bunsen burners, sinks and other shared equipment/spaces can be managed to prevent close contact	NA		
	Consideration has been given to how practical demonstrations will take place without the need for pupils to congregate at the front of the class e.g. technology will be utilised to project the demonstration onto a smart board or screen to aid visibility	NA	Any sharing will be done using virtual technologies or visualisers so children can remain at desks to see it on the interactive screens in each room.	03/09/2020

	Where it is not safe to maintain social distancing such as D & T. smaller teaching groups will be employed. Where close contact activity is required this will be for the shortest duration that is safe and practical, the teacher will position themselves next to rather than in front of the pupil, all parties should undertake hand hygiene before (where practical and this doesn't delay safety) and after the interaction.	NA	Curriculum will be adapted to ensure children can maintain social distancing for all activities.	13/07/2020

Our Health and Safety Commitments, COVID-19 Secure – Unity Federation

Unity Federation remains committed to its vision and that of DNEAT. Despite these difficult and uncertain times we continue to work to ensure every child *Has Faith, Flourishes and Flies High. Where the unimaginable is imaginable in education.*

We are committed to doing this in a way that protects the safety and security of everyone, our employees, pupils, parents and carers, governors, visitors and our whole school community. Therefore, we will follow the Government's phased approach to implementing the recovery plan by:

- Employees continuing to work flexibly wherever possible
- Following the UK Government and Public Health England Guidance for schools
- Only reopening services and activities where we are certain this can be done safely, a risk assessment has been completed, signed off by our Federation Business Manager and the control measures implemented
- Managing the risk of COVID-19 through 4 key mechanisms of infection control: physical distancing and limiting contact, environmental hygiene, personal hygiene and where appropriate Personal, Protective Equipment (PPE)

When school is fully open we will ensure risk management by:

- Making changes to our building environments to encourage social distancing for adults only
- Considering how we can welcome visitors safely
- Making changes to how we travel both in our commute and whilst at work
- Cohorting smaller groups of employees and pupils to limit contact with others (Class / School Bubbles)
- Ensuring our buildings are well ventilated
- Making changes to the way we carry out activities to limit person to person contact
- Ensuring we have the facilities available to encourage excellent personal and respiratory hygiene (bins, tissues, hand sanitiser and wash hand basins)
- Ensuring we maintain excellent environmental cleaning across our buildings and sites
- Encouraging all adults that use our sites to maintain social distancing and personal hygiene through information, signage and visual cues
- Where appropriate our employees wearing the PPE required to keep them and others safe (e.g. medical care or for suspected covid cases)

We will:

- Follow Government guidelines on infection control
- Consult with our recognised unions and engage with our employees when planning to reopen more services
- Work with our multi academy trust - DNEAT to ensure our employees are safe wherever they work
- Consider the individual health needs and personal circumstances of our employees and pupils in our risk assessment processes
- Provide our employees and pupils with the information, instruction and training they need to carry out their roles for everyone's good and safety

Extra curricular and wrap around care				

General provisions	<ul style="list-style-type: none"> Extra curricular provision and wrap around care is only provided in line with legislation and Government advice (as outlined in the compliance code). Provision is reviewed and amended regularly as this advice changes. Whenever the legislation and government advice changes parents are advised who can access services and for what purposes. 	Y	Breakfast / after school club at Colkirk will continue as during the lockdown but run in two bubble parts to reduce social mixing.	02/03/21
Measures of arriving and leaving				
Parents and pupils – arriving and leaving the premises	Consideration has been given to how to reduce the risk of gatherings while arriving and leaving (and particularly during the initial return to school in March)	Y	Different bubble groups line up in different areas outside school and enter and exit through different doors to reduce social contact.	08/03/21
Increasing ventilation				
Ventilation	Responsibility for opening and closing windows have been assigned to appropriate staff in all occupied areas of the premises	Y	Caretakers to open windows and doors when opening up the school. Class teachers to supervise ventilation within classrooms/communal areas	08/03/21
Covid testing				
	Staff are encouraged to have a PCR test when they or a member of their household develop symptoms, this will reduce the need to self-isolate in the event of a negative test.		Waiting for LA to confirm	
	Lateral Flow Device testing arrangements are followed as detailed in guidance on the COVID-19 website for Norfolk Schools	Y	All staff have been offered LFD testing kits. The majority of staff have opted in. Tests completed Sundays and Wednesdays by 5pm. Flowchart shared for reporting results. Admin staff collate results	02/03/21 ongoing

	<p>The risk assessment templates for LFD testing have been completed as appropriate</p> <p>All eligible persons are encouraged to participate in testing</p>		each Thursday and Monday.	
Staff health				
Staff testing	<p>Staff who have received a letter advising them to shield do not come to work in setting until the government advise it is safe to do so in line with <i>COVID-19 Your health and your safety when working in educational settings</i></p>	NA	Staff at West Raynham / LSPA have received this and will continue to shield until 31 March or national restrictions are removed.	02/03/21

Self-isolation arrangements staff and pupils				
Self-isolation criteria	<p>Close contacts will isolate:</p> <ul style="list-style-type: none"> Where notified by NHS Test and Trace that they are a close contact of a positive case Where they are notified that they are a close contact of a positive case by the School Where a member of their household or support or 	Y	<p>Staff and pupils will follow guidance regarding isolation</p> <p>Staff/pupils/parents made aware</p>	08/03/21

	<p>childcare bubble develops symptoms.</p> <p>Staff and pupils will immediate isolate if they test positive (PCR or LFD) and follow household isolation requirements.</p>			
Travelling from abroad	The school will encourage staff and pupils to follow the requirements for Entering the UK	Y	Staff made aware of travel restrictions and implications	02/03/21
PPE face coverings				
Face coverings	A policy on wearing of face coverings in setting has been developed in line with the Compliance Code and Government advice	N	All staff are wearing face coverings when in the classroom, and when greeting adults and children outside.	02/03/21
	Consideration has been given to where it would not be appropriate for some people to wear a face covering as described in the Compliance Code and additional hygiene measures implemented as appropriate.	Y	See above	02/03/21
	Face visors or shields are not worn as an alternative to face coverings.	Y	Staff will be reminded that face shields are not a good enough alternative to wearing a face covering (mask)	02/03/21
	<p>Where face coverings are worn to or in a setting:</p> <ul style="list-style-type: none"> A stock of disposable coverings is available to offer to people who are struggling to access them, need a replacement during the day or have forgotten their own. 	<p>that are in place to reduce the risk of transmission continue to apply.</p> <ul style="list-style-type: none"> • Advising that multi-layered face coverings are considered to be the most effective • If you have COVID-19, wearing a face covering does not make it safe to go out in the community, attend school or work • Hygiene measures regarding putting coverings on, taking off, storage and hand hygiene as detailed in the compliance code. 		<p>information</p> <p>Staff have been given the instructions as to how to remove a face covering. All other hygiene measures are shared.</p>	
Extremely Clinically vulnerable				
	<p>Early on in the pandemic the government took stringent steps to protect some of the most vulnerable people in the community through shielding advice. This advice has changed over time.</p> <p>As the pandemic progresses there may be times where extremely clinically vulnerable people are advised to shield and only work if they can do so from home. Employees who are in this group will have previously receive a letter from the NHS or from their GP advising of this or may receive a letter for the first time depending on the scientific advice at that time.</p> <p>On 16 February 2021 a further assessment process was introduced by the Government. This assessment considers the data from the first wave of the pandemic, peoples underlying risk factors including health issues. As a result more people were identified as needing to shield and contacted regarding this. Where this happens, some employees may be surprised to be informed that they have been advised to shield and</p>	Y	<p>This information has been shared with staff. Staff at WRaynham and LSPA who have received ECV letters will follow procedures put in place to ensure that they are covered whilst not in school. (1 p/t teacher – planning etc. from home and 1 HLTA working from home)</p>	02/03/21

	managers should treat discussions in a sensitive way. The current shielding period has been extended until 31 March 2021.			
Specific risk groups	Please note: some employees in the risk groups below may now receive a letter advising them to shield as a result of the new risk assessment approach that was introduced on 16/02/2021.	Y	See above	02/03/21
Covid vaccine	<p>People in the high risk group will get priority access to vaccination against COVID-19 before the general population. This is being co-ordinated through local NHS. Even with both doses of the vaccine, the shielding advice that is appropriate at that time must be followed.</p> <p>Having the vaccine does not guarantee you won't get the virus, it does however increase your likelihood of only having mild effects from it. As you may still get the virus, there is also a risk you may pass it on to others. Therefore, anyone who has receive the vaccine, must continue to follow the NCC guidance and National Guidance on infection, prevention and control measures until notified otherwise. The people you live with should continue to follow the public health rules and guidance as long as they are in place, including if you and they have received the vaccine.</p> <p>Click here for more information about the National COVID-19 vaccination programme.</p>	Y	Staff have been contacted if they are due to have their vaccine. All Covid-19 safety measures will remain in place for ALL staff regardless of whether they have received a vaccine or not.	02/03/21

<p>Asymptomatic Testing</p>				
	<p>Lateral Flow Device (LFD) testing for people who are asymptomatic is becoming more widely available.</p> <p>Where your setting has a testing programme in place it does not:</p> <ul style="list-style-type: none"> replace the current testing policy for those with symptoms. Anyone with symptoms (even if they recently had a negative test result), should still self-isolate immediately following government guidelines. Those with symptoms are also expected to order a test online or visit a test site to take a lab-based polymerase chain reaction (PCR) test to check if they have the virus. Change the need to rigorously follow the control measures that schools have already put in place. <p>Testing is voluntary but you are encouraged to participate to help trace the virus and help stem transmission. Individuals with a positive test result will need to self isolate (and may be required to undertake a confirmatory PCR test depending on the circumstances of the LFD test and the rules in place at the time) in line with national guidance. A negative result means that you can continue to attend work unless you are required to isolate for other identified reasons or develop symptoms.</p>	<p>Y</p>	<p>Those staff who are completing the LFD tests realise that they do not replace the PCR test and that if they have a positive or void result from the LFD test that they must follow the guidance and book a PCR test and isolate as directed.</p> <p>Staff have been encouraged to take part in the testing as this will act as a control measure in reducing the risk of transmission.</p> <p>Staff are aware of the guidance and are asked to follow this.</p>	<p>02/03/21</p>
