### Learning Environments

This half term we are focussing on our learning environments. We not only want to celebrate the children's work but reflect and share what they are learning. Please do come and look at our displays or talk to us about how we use our working walls to support the children's learning.

Each class will have a Learning Journey wall which will show what we have been learning during each topic.

### Science Fair

Hedgehog class held a Science Fair this week. Each class and parents came to visit and hear the children present their topic. We were very impressed with their knowledge, exhibitions and wonderful work from home.

Well done!

#### **Class Topics -**

**Rabbit Class – Sparks and Flames**

**Hedgehog Class – The Mayans**

**Fox Class are continuing their topic on Crime and Punishment.**
