The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department

for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider

the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated <u>Primary PE and sport premium guidance</u>.

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Total spend available to Little Snoring: £16,590

| Action – what are you planning to do | Who does this action impact? | Key indicator to meet | Impacts and how sustainability will be achieved? | Cost linked to the action |
|---|---|--|---|---|
| adventurous activities that require problem solving, team work and physical challenge. Including trips to Sheringham Park, orienteering, Federation | Children will develop confidence, progression of gross motor skills over time, listening skills, collaborative play. Children will develop team building skills, problem solving skills and challenge themselves physically and mentally to grow in confidence to achieve personal goals. | pupils in regular physical activity – Chief Medical Officers guidelines recommend | Build this offer into future educational visits and learning so pupils return to accessing outdoor and adventurous activities on a regular and timely basis. | £1000 assigned for these trips and coaches. Funding from National Trust available. |
| approach to achieving 30 active minutes during the | Active Curriculum delivery includes the use of through approaches such as active maths and English lessons, outdoor learning, daily mile. Information provided for parents and carers on healthy lifestyles, including choices of snack at playtime. | pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a | Build on this offer each year and provide further opportunities around sports leaders. | £500 |
| Outdoor wildlife and wellbeing learning throughout the year. Have focus on improving outdoor learning provision | All children accessed outdoor learning provision. Children who have undertook the Forest School learning have increased awareness of different physical activities and developed wellbeing and health. | pupils in regular physical activity – Chief | Build on this offer each year and provide further opportunities. | £3800 – Forest Schools provider through Trees For You. |

| To provide a range of different sports and physical activities specifically targeted at pupils who are either unwilling to, or do not have opportunities to, take part in physical activity. Provide 5 after school clubs and co-ordinated lunchtime clubs. | evidenced by assessments. Lunchtime / after school uptake increases. | Key indicator 2: To fund activities to encourage and support the least active children | Maintain provision within own school budget if PESSPA stopped. | £2000 coaching through various companies including LB coaching |
|---|---|---|--|---|
| To provide a PE legacy by upskilling support staff in accessing coaching and teaching qualifications to support curriculum and extra-curricular activities. | Level of staff engaging in training. Offer of clubs and extra-curricular activities. | Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport | - | £6,840 coaching costs for the year. |
| Provide collaborative sporting opportunities across the federation linked to healthy lifestyles. Provide healthy lifestyle workshops, dietary ideas (cooking workshops) | | Key indicator 4: Broader experience of a range of sports and activities offered to all pupils | Develop links to science, RSHE in future years. | £500 assigned |
| Sensory circuits – to provide early morning sessions for pupils who struggle with focus/behaviour in class. | Monitor with pupil questionnaires/class teacher feedback to check positive impact on their learning and other learners | Key indicator 4: Broader experience of a range of sports and activities offered to all pupils | - | Staff training and TA time £500 |

| Develop an annual | Termly programme of competitive | Key indicator 5: Increased participation | Continue this with parental | £1000 assigned |
|-----------------------------|---------------------------------------|--|-----------------------------|----------------|
| competitive sport event | sports that reflect the curriculum | in competitive sport | support to reduce transport | |
| for KS1 / LKS2 /UKS2 each | provision or after school provision / | | costs. | |

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

| Activity/Action | Impact | Comments |
|---|---|--|
| | Amazing to see friendships developing across the Federation. Real focus on mental health and wellbeing. Very positive feedback from pupils. | Ensure we plan a range of Federation 'Learning Together' Days for next year. Widening the opportunities for our small schools. |
| | Increased awareness of different physical activities and developed wellbeing and health. | Have secured a new teacher for 2024/25. |
| Range of clubs on offer with lots of children participating | PE is highly regarded at the school and staff, children and parents speak positively about the opportunities. | |
| | Positive improvement to PE sessions – carefully monitored. | Sports Coach sessions will continue tomorrow with a clear focus on providing CPD for teachers. |
| 0 0 | MSAs and staff have used playtime/lunchtime equipment to engage children in physical activities. | We are exploring options to further develop KS2 play leaders |
| | | |

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

| Question | <u>Stats:</u> | Further context |
|---|----------------------|---|
| | | Relative to local challenges |
| What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres? | 75% | |
| What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]? | 75% | |
| What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations? | 75% | |
| If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this? | <mark>Yes</mark> /No | |
| Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety? | <mark>Yes</mark> /No | Sessions are completed through employing swimming teachers. Our staff are also provided with CPD to support these sessions. |
