

The vision of Unity Federation

- We are 3 small schools where big things happen;
- We celebrate the hidden treasure that we can nurture with joy and hope in every child.
- We foster independence, develop courage and resilience and shape our children to be life-long learners so that they may –

Have faith, FLOURISH and fly high.

Our values

- To embrace change and ensure we are looking forward in all we plan and do.
- To respect, praise and acknowledge every federation's members' achievements and celebrate them.
- To provide a positive environment and curriculum that fosters curiosity, creativity and knowledge.
- To learn in happy, safe and fun environments.
- To promote positive and healthy relationships based on mutual respect.
- To value and encourage teamwork and friendship across our federation of church and community schools.
- To create an atmosphere of trust and respect so children and adults feel safe and secure in all they do.
- To broaden our horizons and views on the wider world and to grow in tolerance for all creed, colours, faiths and beliefs and to learn and explore other religions and their places of worship within Norfolk.
- To have a common empathy across our federation but retain each individual school's distinctiveness.
- To be involved in volunteering in community events including working with elderly, disabled and vulnerable groups.
- To learn and explore other religions and their places of worship within Norfolk.
