

Unity Federation Fifteen

Fifteen experiences you can expect from our federation:

- Residential trips or sleep-overs in school.
- Trip to London and other places outside Norfolk.
- To experience special curriculum days looking at a range of subjects including science, art and music.
- Interesting visitors into school such as people from different religions, charity workers and specialist organisations like Zoolab.
- Opportunities for outdoor learning looking at our local history and environment.
- Regular visits to our local Churches, Norwich Cathedral and Walsingham Shrine to enrich our understanding of our Christian foundations.
- Learning through Forest School.
- To find your voice as a child, shape our school through the Ethos Group and make your views known through the Ambassadors.
- Represent our schools and federation in sporting events, cluster events and county activities.
- Experience specialist music and P.E. teaching on a weekly basis.
- Takes on roles and responsibilities such as being a school prefect or School Ambassador.
- To take part in cultural trips to a theatre, a concert or an art gallery.
- The opportunity to work with local and national charities.
- Be involved in community events, visit our local elderly residents and share our love of learning with people beyond our schools.
- Make the most of our unique countryside, coastline and waterways through beach visits, country park days out and adventure activities.
